email: vvasu@energyinfra.com; vvasu@yahoo.com

PROFILE

Mr. V Vasu is a postgraduate in Business Management and having over 23 years of work experience in various fields of Finance and Accounts and out of which he had served for 21 years in one of the premier Public Utility in India, namely NTPC Limited. Handled many challenging assignments in the power utility including that of head of finance for Projects and Consultancy Division and also in various positions at Corporate Office in NTPC Limited. Having hands on experience in accounting, project finance, costing, marketing finance and procurement evaluation.

PROFESSIONAL HIGHLIGHTS

He is having wide range of experience in Financial Management which includes budgeting, procurement evaluation, financial accounting, project financing, consulting and costing. During his tenure in NTPC he was extensively involved in appraisal of Power Projects which includes financial modeling to arrive at return on investment, sensitivity analysis, cash flow analysis, levelized tariff, etc.

He was also involved in procurement evaluation, capability assessment of vendors and vendor development. He was also involved in bidding exercise of Ultra Mega Power Projects and associated in structuring the coal price and tariff modelling. Actively involved in coal mining activities and import of coal.

While serving as Head of Finance in one of the Gas Based Combined Cycle Power Project of NTPC he had immensely contributed for inventory control and reduction apart from his regular functions of financial accounting, budgeting, costing and commercial accounting as project head of finance.

During his tenure in Consultancy Division, he has managed turnkey export contracts involving project financing and overseas accounting. Acted as lender's engineer for IPPs. Carried out procurement evaluation for World Bank funded projects of National Aids Control Organization, Department of General Education and Training and Ministry of Information Technology.

While he was working with non-banking financial institute he was actively involved in lease financing of equipment for paper, automobile and textile industries.
